

Princeton Club West Aqua Classes

Water-based exercises provide low impact on the joints and high resistance for muscle strengthening and cardio conditioning.
Upon arrival for class, please check the whiteboard near the aquatic equipment room for the instructor's name and equipment to be used for class.
Water shoes are highly recommended but are not required.

Aqua Bootcamp: Utilizes suspended exercises and longer repetitions for maximum cardio & strength training in a different format each week

Aqua Cardio Kickboxing: Wind up some powerful punches and kicks against the water's resistance in this high intensity, kickboxing-inspired workout

Aqua HIIT (High Intensity Interval Training): Combines high intensity work with lower intensity recovery in an intense, cardio training workout that burns calories and boosts your metabolism

Aqua Hi-Lo: Offers high and low impact versions of cardio and muscle toning exercises to allow participants to determine the intensity of the workout

Aqua Strength & Cardio: Uses the water's natural resistance to work the entire body with intense cardio work and muscle toning in a high-energy, cross training workout

WATERinMOTION®: Tightens and tones the entire body with high energy, low impact movement in a dynamic, choreographed cardiovascular workout set to music
